Kordata Announced It Will Showcase Mobile Data Collection Solution at NACE Western Area Conference

November 28, 2018

November 28, 2018 -
Kordata, announced today that they will participate at the International Western Area Conference for NACE: being held November 27-29, 2018 at the Sheraton Seattle Hotel in Seattle, WA. Kordata will be featuring their Protective Coatings mobile data collection demos along with discussions around mobile data collection as it relates to testing and inspection in the protective coatings industry.

Kordata will be exhibiting at NACE to showcase the innovative Coatings FastStart field mobile data collection software specifically designed to extend one?s data workflow securely and efficiently. Kordata is a field data collection software that is designed to specifically around both NACE and SSPC standards. The result for Kordata's customers is increased ROI, accuracy, completeness, and accountability for all data collection activity.

?Kordata is excited to be exhibiting at this year?s NACE Western Area Conference in Seattle. Kordata has so much to contribute to the NACE community with Kordata's robust mobile data collection solution,? said Erin Hutchison, Kordata?s General Manager

About NACE: NACE serves nearly 36,000 members in over 130 countries and is recognized globally as the premier authority for corrosion control solutions. The annual conference This conference seeks to present papers on various methods of corrosion control, featuring unique educational presentations, forums, and new technologies on the exhibit hall floor. This will be an opportunity to learn about local corrosion issues from experienced local experts. They can be found at http://www.nace.org.

About Kordata: Kordata is the leading platform for intelligent and secure mobile forms and flexible data collection workflow. Their patent-pending mobile solution allows for the rapid deployment of complex forms for inspections, material testing, assessments, training, surveys, asset management and tracking, equipment maintenance, healthcare records, and case management. Kordata excels in helping companies deliver solutions quickly without significant investment, translating into a better user experience, increased adoption, and substantial ROI. Companies of all sizes trust Kordata with their data collection needs. For more information, visit www.kordata.com.
