November 28, 2018 - PRESSADVANTAGE -

Edgewater Dental, a dental office based in Sarnia, Ontario, Canada, has announced that their dental team is holding a food drive for the holidays, starting December 1, 2018. The staff is encouraging all existing clientele or anyone in the Sarnia area to participate. They are teaming up with the Inn of the Good Shepherd on this food drive.

A spokesperson from Edgewater Dental said, "The details would be as follows: bring in any canned food or non-perishable item and Edgewater Dental will match it. Also, participants receive one ballot per item that will be used to enter a draw for a Christmas gift basket.?"

The gift basket consists of gift certificates to local restaurants and shops, an electric toothbrush, and other dental products.

Edgewater Dental is made up of a team of professional dentists that always strive to provide quality care to every patient. They point out that because of their compassion and empathy, they always ensure that a patient's appointment is as comfortable as possible. The positive reviews translate this.

Edgewater Dental is composed of a team of professional dentists that always make sure that they provide

quality care to all of their patients. Each of them has compassion and empathy for patients. Thus, they always make sure that a patient will be as comfortable as possible as he or she undergoes a dental procedure such as cleaning. They provide different kinds of dental services, such as general dentistry, cosmetic dentistry, orthodontics, and laser dentistry.

The two main dentists at Edgewater Dental are Dr. Jessica Milne DDS and Dr. Tim Pringle DDS. After graduating from the University of Toronto with a dental degree, Dr. Jessica Milne returned to her hometown Sarnia and there she agreed to work at Edgewater Dental. She had developed a strong interest in dentistry when she had worked at the orthodontic office of her father. Like Dr. Milne, Sarnia is also the hometown of Dr. Tim Pringle. He completed his undergraduate degree at the University of Western Ontario, and he studied Doctor of Dental Surgery at the Royal London Hospital dental school, where he also completed his dental surgical residency.
