November 29, 2018 - PRESSADVANTAGE -

Hidden Links is once again pleased and honored to be accredited as an Authorised Provider of St. Andrews Links guaranteed Old Course tee times for 2019. These guaranteed Old Course tee times are in extremely high demand and sell out further and further in advance each and every year.

For the first time ever, the R&A has chosen a handful of respected tour operators to be Authorised Providers of tickets to The 148th Open at Royal Portrush in July of 2019 and Hidden Links is again very honored to have been accredited as a 'Gold' level Authorised Provider. In conjunction with this, Hidden Links has packaged together some very exciting combinations of golf, accommodations, transportation, and tickets to The Open, for their valued clients.

Southwest Ireland is also contributing highly to advance 2019 bookings with the most famous courses like Ballybunion and Old Head proving to be more popular than ever, and historic Lahinch in County Clare having been chosen as the host venue for the 2019 Irish Open.

With The 149th Open at Royal St. George's in Sandwich England also now appearing on the golf travel horizon, demand for England trips is growing as well as many groups who have traveled multiple times to Scotland and Ireland are now showing great interest in the famous venues that have hosted The Open in England.

'Our company mission continues to be providing the most outstanding golf trips, at the most competitive price, with the finest and most knowledgeable customer service in the industry, and indeed this seems to be a winning formula both in terms of booking golf trips and making sure that those trips exceed our valued clients' expectations, which are already very high to begin with,' states Jeff Flynn, Hidden Links Founder and CEO. 'It is extremely rewarding to get the many wonderful notes that we receive unsolicited upon their return, sharing their joy of having had a true once-in-a-lifetime experience, but one that they hope to experience with Hidden Links again and again. We hope that it becomes even more widely known that before you book a trip anywhere else, you should make sure you first get a quote from Hidden Links.'
