It is a great place to raise a family. In fact, my son is attending my old elementary school. There are shopping malls, movie theaters and even a sports bar and bowling alley so there's pretty much something for everyone. Folsom has also grown to be quite multicultural as well. Crime is minimal and people are always pretty friendly. Folsom is a good place and I think I'm going to be here for a long while."

Another resident said, "Folsom is a quaint little town with a lot of rich history. It is right on the American River and has the famous Folsom Prison as popularized by Johnny Cash. There is so much beautiful nature to explore. It has wonderful places to dine as well as a bustling nightlife for those who are interested in that sort of entertainment. I moved here a little over a year ago with my best friend and it was the best decision of my life. The people here are very friendly."
