

The Countdown Is On for San Diego's Dental Savings Event

June 26, 2015

June 26, 2015 - PRESSADVANTAGE -

San Diegans looking to save money on dental services are eagerly awaiting the Dental Savings Event on July 8th. Hosted by www.DentalNeighbor.com, this online event will offer deals from the best dentists in San Diego. The deals will be free to download and will save patients hundreds ? if not thousands ? of dollars.

Every type of dental service will be available during the event: teeth whitening, cleanings, crowns, braces, clear braces, Invisalign, veneers, dentures, single tooth replacements, and much more. In an effort to win your business, the participating San Diego dentists will be offering savings ranging from 20% to 60% depending on the service.

?Dentists want new patients and are willing to compete to get them,? says Robert Krenz, chief marketing officer of DentalNeighbor. ?The Dental Savings Event turns this competition into a benefit for potential patients throughout San Diego. Starting on July 8th, any San Diegan who visits our site will get the best possible deal on the dental service he or she is looking for.?

Getting a deal will be simple and fast. Just visit www.DentalNeighbor.com after 8 a.m. (PDT) on July 8. Many

great deals will display on the homepage, but visitors can narrow the offered deals to their own city or zip code. No payment is necessary to download a deal; all payments are made to the dentist at the time of the appointment. As an added bonus, the customer can supply his or her phone number to enable the selected office to call and make the appointment.

It's important to act fast, Krenz says, because each offer has a limited quantity. "In our experience, most deals are gone within three days. It's because the savings are so extraordinary. Each DentalNeighbor member wants to become your lifetime dentist, so they are all making their best possible deals available. They limit the quantity so they don't lose their financial shirts in the process."

Interested customers should visit <http://www.DentalNeighbor.com> to learn more about the event or to request a service discount from a local San Diego dentist.
