July 08, 2015 - PRESSADVANTAGE -

Refresh Face and Skin Rejuvenation, a health and beauty business in Applecross, WA, is proud to share an extremely positive review that their skin rejuvenation product recently received on Facebook. The review, which can be seen on <https://www.facebook.com/PerthIPL?sk=reviews>, mentions not just the efficacy of the product itself, but also the service that the customer received. Refresh Face and Skin Rejuvenation wants to thank the reviewer for her honest opinion.

De Rinaldi from Refresh Face and Skin Rejuvenation says, "As a business, there is no better feeling than finding out your customers appreciate all that you stand for. We want to help people have more beautiful skin in the easiest way possible, which means we develop high quality products and offer outstanding customer service."

The product has only been available for a short period of time, as the business is still relatively new. They have only recently started to list themselves on Google+, <https://plus.google.com/+RefreshIPLPerthIPL/about>, and they are very happy about the fact that they are already being recognized for their work. If this is a sign of things to come, much greatness can be expected from Refresh Face and Skin Rejuvenation.

The company is focusing particularly on their social media presence. This is why shoppers are encouraged to like their Facebook page on <https://www.facebook.com/PerthIPL> and talk about their experiences, just as Sharmini Fraser has done. Fraser had commented, "Fantastic service. I felt so comfortable and was amazed by the results. Would highly recommend!"

Their Facebook page also lists various special offers that the company is able to provide their customers. For instance, they are currently offering significant reductions on IPL hair removal treatments as an end of financial year sale. This is a way for the business to celebrate their first financial year in business and the tremendous successes they have had in that period of time.

Refresh Face and Skin Rejuvenation is committed to making sure all their customers are as happy as Sharmini Fraser is. They aim to achieve this by continuing to offer high quality products at affordable prices, as well as delivering excellent customer service.
