

General Contractor Expands Services In Ontario

January 07, 2019

January 07, 2019 - PRESSADVANTAGE -

Ontario Home Pros has announced that they have expanded their remodeling services to Ontario, New York. The company provides complete home renovations that include kitchens, bathrooms, basements and other areas of the home, as well as outdoor space renovations.

A complete list of the services that they offer can be seen on their website at <https://ontariohomepros.business.site>. A representative for the company says that they are pleased to be expanding their list of services from Rochester into Ontario and that they may expand even further in the future.

"Our customers have always been the lifeline of our business," says the company spokesperson. "Because of our customers, we are able to now move our service area into a larger location. We offer a full range of home renovations and can help customers to get the homes that they have always dreamed of owning."

The company states that they offer renovations for homeowners who are looking to add space or make aesthetic changes for themselves or to raise their property value for a sale. Home renovations can add thousands of dollars to the overall value of a home. The company states that many real estate agents recommend making a few changes to get a home ready to sell.

?We can add a new room or turn a basement into the perfect man cave,? says the company representative. ?Any renovations that a homeowner makes will instantly increase the value of their home, giving them much more from their sale. Our services offer a great return on investment opportunity, whether the homeowner is looking to sell the home, or they just want to add new features, more space as their family grows or any other reason.?

More on the service areas of Ontario Home Pros can be seen at <https://goo.gl/maps/8wpAWfFLo2R2>. Homeowners in the area can contact the company for a no obligation quote for the renovations that they want to make. The company states that they give customers an upfront estimate, without adding on any additional or surprise fees once the project is completed.

Ontario Home Pros has been providing contractor services in Rochester and the surrounding areas for a number of years. The company states that the time was right for them to move their service area to now include those in and around Ontario and states that they look forward to helping homeowners in the area to make changes to their homes that will benefit them in the present and potential home sales in the future.

The company states that homeowners who are simply looking to add more value to their homes can contact them for a consultation. Not all changes to a home will increase the overall value. The representative for the Ontario contractor states that they have the experience needed to help homeowners to choose the changes that will increase their ROI and offer the space, functionality and other benefits that they would expect from a remodel.

Ontario Home Pros offers renovations of all rooms in the home, including kitchens, bathrooms, room additions, garages and basements. In addition, they provide decks and patios that help to add value and comfort to outdoor living spaces. The company spokesperson says that renovating a home can be a fun and rewarding project, provided the homeowner works with a company that has their best interests in mind. The company states that anyone in the area who is considering home remodeling can contact them to discuss their options. They state that they are always available to answer questions and to help homeowners to choose the right design, layout and features that will make their home the home of their dreams.
