January 04, 2019 - PRESSADVANTAGE -

Rockabye Toys, based in Phoenix, AZ, has announced that they are offering plush rockers for tots that can play music and has many themes, ranging from trains and princess carriages to lady bugs and lions. The company designs and produces cute and high quality rockers for kids. They focus on the design and production of rockers only because they want to be the best with regards to their products and customer service.

Todd Coyle from Rockabye Toys says, "We design some of the cutest rockers for tots, with ages ranging from nine months to three years old. We have a wide range of designs so we're sure parents will be able to find one that is to their liking. Parents may want to check our new arrivals, which include classic rockers, premium vehicles, and chair rockers."

The plush rockers can accommodate older kids as long as they don't exceed 80 pounds in weight. They are approximately 12 inches in width, 24 inches in length, and 17 inches in height. The seat is approximately 10 inches from the floor and the rocker has a weight of about 15 pounds. Inside each rocker is a solid maple hardwood skeleton that is the same for every rocker except of one detail: the styles with a high tail or chair

have a three-inch wide back support board added. Those styles with a low back do not have this board.
