

VitaVersa Launches YouTube Channel To Highlight Benefits Of Forskolin Milk Thistle Supplements

July 13, 2015

July 13, 2015 - PRESSADVANTAGE -

Elkhart, IN-based VitaVersa has announced the launch of their new YouTube channel. The channel is used to introduce and describe a variety of products and their benefits, including the company's liver cleanse detox Forskolin Milk Thistle Supplement. This offers an entertaining yet educational look at Milk Thistle and how it works with the human body to create a healthier lifestyle.

The new YouTube channel can be viewed at <http://ow.ly/OXKkZ>, where individuals can select the video they wish to watch. Currently the company offers seven videos, although, they have made it clear that new additions will be made going forward to educate customers on advantages associated with VitaVersa products.

The Milk Thistle Supplement that is seen in the most recent video, and offered through the company's sales channel at <http://ow.ly/OXLpF>, is described as the ultimate liver cleanse. It contains pure Silymarin, which has been standardized to 80%. This ingredient is a known agent in the renewal of liver cells, working to provide users with the highest available functionality of the liver. Due to its natural ability to work as an antioxidant, it also relieves fatigue, reduces toxins in the body, and aids in immune system support. VitaVersa describes it

as follows: "Used for over 2 millennia, this herb has been used to effectively offer liver support thanks to its active ingredient, silymarin. Contained in 90 capsules, it acts as a potent antioxidant and anti-inflammatory, helping to cleanse and repair the liver, boost the immune system, lower cholesterol and give you radiant skin courtesy of its ability to counter free radicals. To top it all off, it can act as a remedy for hangovers, so the days of nasty remedies are now over!"

The video found at <http://ow.ly/OXKBg> explains that this product is created using high quality ingredients and standards with 90 potent capsules in each bottle. Created in the United States in an FDA registered and GMP certified lab, the company believes so strongly in the supplement that they provide all customers with a 100% customer satisfaction money back guarantee, as well as a free 43 page eBook with each purchase.
