January 15, 2019 - PRESSADVANTAGE -

Shawnee, OK. - One of the top providers of Shawnee shipping services is taking the holiday season to recognize a successful past year in Pottawatomie County. During the previous year, they have been able to expand their clientele, offer new services and continue to provide their exemplary customer service to new and loyal customers alike.

A major highlight of the year for the local business was the decision made to join forces with a leading digital marketing agency to further their reach to a larger audience. The partners in prosperity have a goal to get more even more customers to know, like, and trust E-Z Ship & Copy.

The local business has been opened since leap day of 1997 and has been serving the Shawnee area ever since. The unique perspective and experience providing services to the community have given the business the ability to provide Shawnee packaging services that are truly worthy of their stellar reputation.

Along with its impressive inventory options, E-Z Ship & Copy is a go-to resource for packing, shipping, printing and business service needs of residents and businesses alike. They are a locally owned independent

packing and shipping business owned by the same family for over 21 years.

Looking back on the successes of the previous year is an imperative part of planning for the new year for the local business, and they look forward to continuing their dedication to the community for years to come.
