January 21, 2019 - PRESSADVANTAGE -

Salt Lake City, UT ? Live performance music entertainment service Best Utah Bands featured ?New Soul Brigade? at a private event, which took place at Publik Coffee Roasters on January 19, 2019.

Best Utah Bands is proud to have featured New Soul Brigade to this private event for the first time. New Soul Brigade is one of the most in-demand Utah cover bands known for their collection of talented singers and musicians, featuring some of the best high-energy dance music from yesterday and today in their non-stop dance fest performances. Publik Coffee Roasters is a boutique roastery and bar run by solar energy, located in a hip, 4,000 square foot industrial space well-designed for corporate groups and nonprofit organizations to celebrate with live performances.

"Best Utah Bands is thrilled to showcase New Soul Brigade for this special private event," says Sally Johnson, Chief Entertainment Officer of Best Utah Bands. "Private events come in all shapes and sizes, and we're pleased to pair the kind of music entertainment our client wants for their event with a band that meets and exceeds their desired outcomes."

Hailed as one of Utah's most beloved and sought after live wedding bands, New Soul Brigade provides beautiful, romantic, ambient music for wedding ceremonies, cocktail events, or dinners, then transitions to high-energy crowd-captivating heart-pounding music for a wedding reception or after-party, keeping audiences dancing from one hit tune to the next.

"We loved, loved New Soul Brigade! The guests wanted an encore from them after the set was over. That dance floor packed the moment they started performing. I loved their energy!" says Anna Moraleda from Apple Inc., a client that booked New Soul Brigade for a previous event. Another "Best Utah Bands" client, Sandra Hoesley, had this to share, "You will not find a better wedding band anywhere. We live in New York City and Chicago and have heard some incredible professional wedding bands - New Soul Brigade topped them all. First, each musician, from the vocalists to the guitarists to the guys playing the horns to the drummer were top notch. Their songs and their music sound exactly like the real artists. Combine that with their interaction with the guests on the dance floors and their high octane energy, and you won't find better anywhere. They are young, professional and incredibly talented. I would fly them anywhere to perform."
