The ACO, American Cornhole Organization, will be bringing its premier event, the ACO World Championships of Cornhole X, to the Knoxville Convention Center, July 7-11.

In its 10th year the ACO Worlds is shaping up to be the biggest and best Worlds event yet. Saturday July 11 the ESPN Sports Center on the Road featuring Matt Barrie and Sara Walsh will set up at the Worlds from 9:00 am until Noon. Interviews are planned with the ACO Pros and maybe a cornhole game or two will take place on the set. With the addition of the ACO Slider Cup, the Worlds now features a variety of events.
