January 30, 2019 -

Owners of hoarder houses can now sell their properties directly to Dependable Homebuyers in Newport News, VA. The nationwide company has announced its latest real estate service. The company has been buying various kinds of residential properties in Newport News, Virginia. It is now considering all types of hoarder houses regardless of the condition they may be in. Dependable Homebuyers takes pride in its philosophy of ?We Buy Houses in Any Condition? and they are taking a step further to simplify the challenges faced by owners of hoarder houses.

Hoarder houses are difficult to sell. Homeowners know that and they often procrastinate for a myriad of reasons. There is a stigma associated with hoarder houses. Every owner is conscious of the label and what it implies. A hoarder house is not in the best of condition and it is riddled with problems. Depending on the state of deterioration, a hoarder house may be structurally unstable, there could be serious mold growth, the property may have already been subjected to substantial damage and there might be serious health risks. Hoarder houses are often havens for pests. They can cause infections and respiratory ailments. Occupants of hoarder houses should always consider disposing of the property, the sooner the better.

Dependable Homebuyers offers a discreet proposition. The company ensures impeccable confidentiality and presents cash offers for hoarder houses. Owners do not need to invest in any repair or renovation. There is no such financial commitment. The objective is to help owners of hoarder houses to sell their properties for as much of a return on their original investment. Dependable Homebuyers is now inviting all hoarder house owners to consider selling their property directly to the company. The location, condition and history of the property will not come in the way of the sale. Evan Roberts, the owner of Dependable Homebuyers, has said while announcing the launch of their latest real estate service, ?Hoarder houses should be sold as soon as possible to mitigate the damage. Further damage is unavoidable if hoarder houses are not repaired, renovated and essentially converted to a habitable property. Property owners will do well to consider a quick sale and protect their family from the adverse effects of living in a hoarder house.?

Dependable Homebuyers is buying hoarder houses in Newport News and property owners do not have to invest in repairs or renovations. There is no financial obligation for homeowners at any point in time.
