I certainly recommend them to Philly homeowners who are looking to sell their house quickly. I am just very satisfied working with Liberty Homebuying Solutions."

"After my partner got promoted in his job, we realized that we can finally afford to move to a bigger house," states Heidi F. According to Caitlin McCabe's article in Philly.com, the slowdown in the Philly region's housing market will continue this year. "Interest rates will continue to rise, squeezing buyers and slowing demand," as stated in the article. "The increase to a 5 percent mortgage rate and beyond, economists say, could turn away buyers who are already stretching to purchase a home."

"We are committed to providing quality homebuying services to our clients," says Greg Nguyen, a spokesperson for Liberty Homebuying Solutions. "With the housing market's slowdown in Philadelphia, it makes it more difficult to sell a house, so we want to give homeowners the best quotes for their houses thus saving them from realtor fees and inconvenient home-selling process that may take up to months."

The company is open 24 hours during weekdays. Their service areas can be seen at <https://goo.gl/maps/tm1PXJHDM2p>. Interested sellers can contact them at (215) 344-7966 for a faster appointment. More information and latest news about the company can be found at their website.
