

Metro Urgent Care Now Accepts Patients In Aurora

February 21, 2019

February 21, 2019 - PRESSADVANTAGE -

Residents of Aurora that require urgent medical care will now be able to find it at Metro Urgent Care (MUC). The clinic offers medical services to a variety of patients, including those who are insured, uninsured patients, on Medicare or Medicaid. The company's website can be found at <https://www.metrourgentcare.com/listing/gartrell/>.

The clinic provides services that are similar to other clinics in the area. However, Metro provides a uniquely modern environment compared to its counterparts, with other clinics being described as older and dark. "We strive to provide the ultimate customer service to our patients, which is evidenced by our consistently positive reviews at Metro Urgent Care, Aurora," said the clinic. "Our urgent care is immaculate and modern, and every patient is made to feel welcome as soon as they walk in the door. Our team goes above and beyond the traditional urgent care experience, because they are dedicated to making each patient feel comfortable and at ease."

Metro Urgent Care continued that, "Many urgent care clinics in Aurora have an almost dilapidated feel to them, which doesn't exactly make for a great patient experience. We have evolved the typical urgent care experience into something more pleasant, efficient, and simple. Finally, we believe a great customer experience starts from the ground up. Not only are our facilities brand new and state-of-the-art, but our employees are the face of our business. We pride ourselves on providing an amazing employee experience, so they in turn create positive experiences for each person who visits our clinic."

Metro Urgent Care offers flat rate pricing, with the cost of many of their services ranging between \$20 and \$160. Services offered at the clinic, to name a few, include flu vaccines, stitch or suture removal, TB tests, tetanus shots and sports physicals. The clinic also attends to a variety of ailments and injuries like broken bones, burns, bites and stings, and a variety of infections like ear or sinus infections.

The clinic assures patients that they can "Rest assured that our Metro Urgent Care providers are highly-educated, compassionate, and knowledgeable medical professionals, dedicated to helping diagnose and treat a variety of ailments and injuries. They also help provide medical testing services, administer flu

and vaccination shots, and provide sports and medical physicals. Each team member on staff has been handpicked due to their expertise and passion in this field.?

Metro Urgent Care stated that their philosophy involves focusing on the patients first, in an attempt at ?Closing the gap between effective treatment and doctor-patient relationships.? It is possible to receive medical care without an appointment, though those hoping to visit the clinic may reserve their place in line ahead of time at <https://www.clockwisemd.com/hospitals/3595/appointments/new>.

The friendly, professional, and respectful team at the urgent care community in Aurora wants to be able to help its patients find happiness and health in their lives. If after hours urgent care is needed, or they simply wish to improve their quality of life, all they need to do is walk in to receive treatment. The clinic urges patients to ?Stop by today, and experience the best healthcare community and everything it has to offer at Metro Urgent Care.?

The clinic?s online website has many tools to help make the entire process of receiving medical care easier for patients. In addition to the ability to make appointments online, patients are provided with a number of application forms, including authorization, physical, patient authorization, and sports physical forms. The clinic also offers suggestions on dealing with insurance companies.

The clinic often enjoys positive reviews. One review from a satisfied customer reads, ?Clean, great front desk step and I was in and out quickly. Left with my prescription in hand, which was nice because I felt like crap and didn't want to drive somewhere else. Highly recommend!?
