February 19, 2019 - PRESSADVANTAGE -

Zorro adds Denver, Colorado to their increasing branches. With this new office, Zorro Credit hopes to make it easier for Denver residents to restore their credit worthiness.

Joey Rizza, spokesperson for Zorro Credit Repair, says, "We're so happy to announce that we have opened a new office in Denver, Colorado, to better serve our clients. This is in line with our philosophy of getting your credit score fixed as fast as possible. We have been repairing credit scores since 2004. To this date, Zorro Credit has helped more than 14,000 people with their credit scores. From removing collections, late payments, bankruptcies to removing charge offs and foreclosures ? we've done it all."

Denver residents can now fix their credit worthiness within 60 days of availing Zorro's services. Credit Repair Denver, the Google Business Page of Zorro's Denver office is filled with testimonials from people who have had their credit scores successfully restored.

For instance, Pamela Wright has rated Zorro Credit Repair with five stars and said, "I would highly recommend this credit repair company to all the people in Denver. You will not be disappointed. Thank you

guys!?

Jeffery Leahy in his testimonial says, "I was referred by a friend to consult with Zorro Credit Repair Denver. I called, and they answered all of my questions. This company is excellent, very quick, helpful and overall a pleasant experience. Highly recommend Credit Repair in Denver!?"

Zorro Credit Repair services include the removal of collections, removal of charge offs, removal of late payments, removal of repossessions, removal of bankruptcies, removal of judgements, and removal of foreclosures.

Zorro Credit Repair follows a four step process in its method of fixing the credit score of the client. Free consultation is the first step. One of their credit repair specialists will take a look at the client's current credit score and develop a plan on how to fix it as soon as possible. The next step is for the client to sign up to the company's credit repair service. The third step is to start improving on the client's credit score by disputing and eliminating the negative items that are causing the low credit score. And the last step is when clients begin to receive dispute letters from the credit bureaus which indicate the erasure of the negative items. If not, Zorro Credit Repair will provide more evidences to achieve the same.

Zorro Credit Repair was established in 2004 and as of this date, they have helped more than 14,000 people in restoring their credit scores. Zorro Credit Repair has a highly skilled team of lawyers from Lexington Law who help clients in successfully fixing their credit scores.

With Credit Repair Denver Media Room Zorro has made it easy for Denver residents to reach them with their contact details on that page.
