TacPack Adds Limited Offer Glock Box To April Subscribers

March 04, 2019

March 04, 2019 -
TacPack is proud to announce the launch of its new limited offer product, the Glock Box. In addition to the standard TacPack, subscribers can also purchase the Glock Box this April. This box is available as a one-time, non-subscription offer. The box is perfect for Glock owners, giving them the ability to ?take your side arm game to the next level,? according to the company.

TacPack delivers a tactical subscription box that contains tactical/survival/EDC gear, arriving on their eager subscribers? doorsteps every month. Subscribers are automatically charged on the 20th of every month and reserve the right to cancel at any time without penalty. A standard TacPack contains between eighty and a hundred dollars? worth of gear each month, while the subscription costs just under fifty dollars. The value of each monthly box depends on who TacPack manages to make a deal with in terms of wholesale cost. TacPack has a large number of different suppliers, and a large base of subscribers, which allows them to bring the best possible to deals to the community.

The Glock Box, in comparison to the TacPack, contains two hundred and fifty dollars? worth of gear from brands like Madhouse Designs, Bastion, Hexmag, Strike Industries, Newbold, Aeroknox, and many others. It is significantly larger than the standard TacPack, containing a total of ten items. The box notably does not contain any filler items; it comprises only of Glock parts, tools and accessories. The Glock Box is in limited supply, however, and those interested in obtaining it are urged to hurry and claim the one-off gift before they are sold out. The boxes will ship in April, and will arrive at subscribers? doorsteps before Easter Sunday.

TacPack was created to provide people with a way to receive high quality emerging products on a monthly basis, allowing them to ?try new stuff,? according to the company. TacPack prides itself in testing each product before it is boxed and shipped to TacPack?s loyal subscribers, and the company seeks lifestyle brands that create a positive representation of the community. Each box contains an assortment of tactical and survival goods, in addition to EDC gear. TacPack?s end goal is to partner with some of the biggest brands in the industry and give their subscribers the chance to try these products as well.

It is possible to receive previous months? boxes, as TacPack sometimes has a limited number of the previous offerings available; they can be reached via email in order to request a back month. Cancelling a TacPack subscription is a relatively simple process, allowing subscribers to cancel their subscriptions through an email to TacPack informing them of the desire to end their involvement in the program, and TacPack will cancel the subscription immediately with no extra charges or obligations incurred on the subscriber?s part. To receive the next month?s TacPack, one must subscribe before the end of the current month.

Leftovers from previous years can be accessed through TacPack?s Grab Bags. Over the years, TacPack has amassed a large amount of tactical gear and wishes to share it with their subscribers. Grab bags come in three different sizes: Mini, Regular, and Biggie?each containing mystery items.

In addition to the high value TacPack boxes and the mystery Grab Bags, TacPack has an online store that sells a variety of tactical gear alongside TacPack?s own merchandise, such as the TacPack winter hat and TacPack t-shirts.

Companies who wish to get exposure in TacPack?s niche of the shooting industry are urged to contact the company. TacPack has collaborated with a large number of companies, and received positive responses regarding their service. Companies that have collaborated with TacPack in the past have benefitted from being brought to the attention of their subscribers, and therefore enjoyed an influx of a large number of new customers.

Those looking for more information on TacPack may visit the company?s website at https://www.tacpack.com/. Those interested in signing up for the subscription service and receiving one of their customized boxes every month, or firearms enthusiasts eager to discover what TacPack has to offer, are urged to visit the site and explore.
