R'stoyour's, a new brand to hit the Home Goods market, has stated that their innovative new kitchen products will make an impression on food enthusiasts. Two new products in particular, the company's Nut Milk Bag and Pour Over Coffee Brewer, are showing great promise in some very unique niches. The company has said that while they are new to the retail world they will be bringing more exciting home goods in the near future.

The R'stoyour's Nut Milk Bag, (3 pack) can be purchased through the company's online retail outlet at http://www.amazon.com/gp/product/B00YBIHM26/ref=s9_simh_gw_p79_d0_i1?pf_rd_m=ATVPDKIKX0DER&pf_rd_s=desktop-1&pf_rd_r=103W02TT5GA53R0MTVDR&pf_rd_t=36701&pf_rd_p=2118394622&pf_rd_i=desktop. Here, customers can view photos of the product, learn about the benefits it offers, and purchase the bags for the current sale price of \$10.47. The bags measure 9 x 12 and is nylon mesh making it the perfect strainer for cold brew coffee and a number of other applications outside of nut milk. The team at R'stoyour's has made it clear that they are very proud of the product, saying "This is the highest quality nut milk bag available on the market today." The bags are marketed toward those who enjoy the raw food movement, and who enjoy nut milk without the additives that are often found in store bought alternatives.

The Pour Over Coffee Brewer, found at http://www.amazon.com/Rstoyours-Coffee-Dripper-Camping-Backpacking/dp/B010A1K9U4/ref=sr_1_8?s=home-garden&ie=UTF8&qid=1436124747&sr=1-8&keywords=pour+over+coffee+maker+silicone is made of food grade silicone and brews one full cup of coffee or sometimes more, with each use. The company believes that this tool is perfectly suited to those who enjoy camping, backpacking trips, or even for use in small offices. The coffee maker can be purchased through the company's retail channel for the current sale price of \$11.59, making it a highly affordable model at a fraction of what other coffee making products sell for. Between the price and the convenient size of the brewer, it is certainly an attractive unit for the coffee lover on the go; R'stoyour's explains, "This pour over coffee maker is any back packers dream gadget because it's so light and transportable."

Both of these R'stoyours products have highly positive reviews through the sales channel, and the company invites all new customers to leave feedback on these and upcoming products as they are released. The team at R'stoyours has certainly proven their passion for home goods and the consumers who love them.
