February 27, 2019 - PRESSADVANTAGE -

Jason Rose of Rose Realty is the recipient of a 2018 award: the Masters Emerald Award and the Quality Service Pinnacle Producer Award. In a letter addressed to Jason Rose himself, Century 21 Real Estate praised his dedication to the industry.

"Your hard work and dedication to your customers and clients, your community, and the CENTURY 21 System have enabled you to earn this outstanding achievement."

The Jason Rose Realty Team continues to push the envelope when it comes to helping their clients buy or sell their homes. Rose Realty understands that buying and selling a home should be an exciting time for a homeowner, rather than something stressful.

First-time buyers and veterans alike can benefit from Rose Realty's sincere and knowledgeable service, making goals easier to achieve.

For those who are interested in selling their home, Rose Realty's team of professionals can handle everything from staging to the sale.

As for those who wish to buy their first home, Rose Realty can help guide clients through the process so that the investment is a good fit for them financially. The team will also help through the inspections and obstacles that ultimately determine the long term satisfaction of the purchase.

Jason's unparalleled knowledge of the real estate industry includes over 20 years of real estate sales, as well as experience when it comes to managing the construction of over 250 homes. He understands the intricacies of a home from the foundation to the roof. His team's knowledge of trusted contractor professionals is just as reliable.

But what makes Rose Realty truly stand out from the rest is the way the company reaches out and provides

more for the community. Jason Rose, for example, is going to take part in a charity fundraiser called Hoosiers Hoops Hero for Dotted Line Divas.

Dotted Line Divas or DLD is a local non-profit organization that utilizes extreme couponing to provide personal care and hygiene items to individuals and families in need. DLD will be kicking off a new event as part of March Madness. The Hoosiers Hoops Heroes event will take place on March 7, 2019 at Bar Louie Carmel, and will be sponsored by Uptown Connectors.

During the event, the \$15 tickets will include appetizers and a beverage. There will also be a raffle to win Pacers Tickets. Ticket proceeds, raffle proceeds, and 15 percent of any purchase made at Bar Louie will go to Dotted Line Divas, which will, in turn, help them provide the necessities for families in need.

Rose Realty and Dotted Line Divas understand that there are thousands of people in the community who are unable to obtain personal care and hygiene items through the help of government assistance or from other local organizations. DLD helps bridge this gap for those who are unable to afford these items.

This event is only one example of how Rose Realty actively participates in meaningful events that improve thousands of lives.

Jason Rose and his team of professionals will guide their clients throughout the buying and selling process. They are committed to building trust and providing the best possible service for all real estate purchases, now and in the future. This is why Jason considers himself as more than a realtor?he is a Life Agent.
