Park City, Utah ? Utah live band No Limits was featured to perform for a 120-guest high-profile wedding event held at the Stein Eriksen Hotel in Park City, Utah on March 2, 2019, and recently received rave reviews from event planning company Soirée Productions.

Event Planner Kristin Spear from Soirée Productions in Park City, UT has this to say about the band's performance, "Thank you for such an amazing job. I was super impressed. The energy and vocals were great. And thank you for having the timeline printed out and actually knowing what was going on. I can't even tell you how many bands are coming to events without timelines and without knowing any of the details. They just completely rely on me to tell them everything. And it's so refreshing to actually have a band know what's going on before they get there and not need tons of hand holding. Thank you! Thank you!?"

No Limits band - powered by four vocal stars, an eight-piece band with an optional horn section - performs all across the US and in exotic locations throughout the world for major corporate events, celebrity parties, million-dollar weddings, casual events, music festivals, and wedding receptions.
