March 05, 2019 -

Carlsbad, CA ? Live performance music band Liquid Blue is slated to perform for a ?Havana Nights? themed gala event for Aspirations Of Learning on March 22, 2019. In concert with the theme, the Liquid Blue band will be dressed in all white attire.

The band is confident in living up to previous corporate event performances and to receive rave reviews similar to one from Samantha Yong from Silver Spring, MD where she shares, ?During our company?s holiday party and today at work, we?ve heard nothing but rave reviews about Liquid Blue?s fantastic performance. Our guests were completely blown away by their spectacular singing, dance routines (especially the awesome Michael Jackson covers ? the crowd went wild), and the song selection. We loved how much infectious energy the band had from the get go ? our staff can be rather shy about ?being the first on the dance floor,? but the band was able to get them grooving pretty early on, which is impressive. A lot of guests commented that the band ?made? the party. All in all, they definitely did not disappoint us with their

performance and we got the most compliments on the band selection!?

The world?s most traveled band, Liquid Blue is one of the premier wedding music bands and live event bands known for their collection of talented singers and musicians, featuring some of the best high-energy dance music from yesterday and today in their non-stop dance fest performances.
