

Need Money Now Announces Online Application For Financial Resources

March 07, 2019

March 07, 2019 - PRESSADVANTAGE -

NeedMoneyNow, a financial services company based in Christchurch, New Zealand, recently announced that they have a new and improved online application. Residents of New Zealand can access the online application for use with any number of the company's financial services.

A representative for the company says, "We offer consumers a way to get the financial assistance that they need from an easy online platform. Instead of waiting in line at an office location, those in need can simply visit us online and access the convenient online application. We feel that this helps to provide needed financial assistance for many consumers who otherwise might not be able to visit us in person."

The company previously announced a new website, which provides easier access for customers looking for financial assistance. The company representative says that along with the new easy to navigate website, the company also added an online application, which makes the process even easier.

"Customers simply have to visit us online to gain access to the application," says the company's representative. "So many companies are now offering online application processes, and we thought that we

would join the ranks. Our online application takes only a couple of minutes to fill out, and it helps us to find the right financial tool for our customers without them having to actually visit us in person. We can even provide a decision online, which saves the customer even more time.?

The company states that those who are interested in learning more can visit them on their Facebook page at <https://www.facebook.com/needmoneynownz/>. The company uses their social media page to update customers on new happenings within their business and to allow interaction between the company and their customers. Customers can also read through various reviews on the Facebook page that have been left by others who have utilized the financial tools and resources offered by the New Zealand based company.

The company states that one of the main reasons that they decided to offer an online application is to help their customers to feel more at ease when requesting the financial services that they require. Customers can access the application, learn more about the process and use the online chat feature to gain access to experienced representatives if they need assistance filling out the application or have other questions. The company states that they have made several changes to their website in an effort to make getting financial assistance easier for their customers.

The company continues to add that their online application offers anonymity for customers who may be embarrassed about needing financial assistance. The company representative states that the entire process can now be done online, from the initial application to the pay off, which makes it more convenient for those in need of financial resources to get the help that they need.

Need Money Now offers a wide range of financial tools for those in need of temporary financial assistance. The company states that anyone who is interested in learning more about their services can visit them online at <https://goo.gl/maps/mBqVoXo9Lz62> to get a detailed look at the full range of financial tools and resources that they offer. Consumers who are located in New Zealand can now access the online application and other online tools found on the company's website. Those who prefer to work with the company on a more personalized basis can still visit them in person. Details and directions, as well as contact information can be found on the company's website.

Need Money Now states that they are pleased to be able to offer their customers a more convenient way to request the funding that they need. The online application allows consumers to access these resources around the clock, without worries of waiting for a traditional office location to open. The application is available at any time of the day or night, a fact that the company states offers a better solution for those in financial distress.
