

FINTRX Family Office Blog Launches Interview Series

March 11, 2019

March 11, 2019 - PRESSADVANTAGE -

Boston, MA based FINTRX is pleased to announce the launch of their "Interview Series," which will feature interviews of family offices as well as those who collaborate with family offices, including experts, financial analysts, investors, and lawyers.

The Interview Series kicks off with Darragh O'Sullivan, who runs the DOS & Co. virtual family office in London. "We're very excited to introduce our new series of ongoing interviews to our readers with the goal being to drive valuable thought leadership and insights on family offices and investment professionals," said Russ D'Argento, Founder & CEO of FINTRX.

Darragh O'Sullivan is a specialist in supporting family offices, entrepreneurs, and the young wealthy in their legal, operational, and reputation management affairs. The family office that he runs, DOS & Co., provides wealth management services, family office services, and digital family office services to the UK and non-domiciled clients from the young wealthy to established generational family offices, among others. They specialize in high net worth individuals and families across a range of industries, including entertainment and sports personalities, entrepreneurs and expatriate London residents.

FINTRX is a leading provider of comprehensive investor intelligence in the field of family office data for asset

raising professionals. The company offers the preeminent family office database and research solution to the private capital markets.

Virtual family offices are one of the growing trends for those who want to coordinate their financial and personal affairs. The upside is access to professionals with particular expertise and networks of specialists on call to cater to their client's specific interests, preferences, and requirements.
