March 08, 2019 - PRESSADVANTAGE -

Louisville, KY - As a top company that offers power washing services, TNT Services recently announced its new regional office in Louisville, KY. It's now the fourth TNT Services office that has opened its doors to the public as it continues to expand after decades of experience in the industry. It started as a mobile fleet washing company and has begun to offer new services that include exterior house cleaning, commercial power washing, a semi-tractor reconditioning/detail shop, and mobile detailing. They also offer drive-thru truck washes, semi-truck detailing, and semi-truck body shops to improve the quality of each vehicle and boost its lifespan with the proper maintenance and care provided with the help of our professional team. Customers can receive their own power washing consultant throughout the project with customized solutions available to meet their expectations.

With commercial power washing services, the company strives to provide its customers with high-quality services to allow local businesses to stand out and make a great first impression. The new location allows more customers to enjoy having access to the comprehensive power washing services provided by the company as it continues to serve local businesses and residents. TNT Services also offers regional offices in Columbus, OH, Cincinnati, OH, and Indianapolis, IN.

About TNT Services

TNT Services has been operating in the industry since 1989 and has built a foundation off of washing fleets of vehicles with the most advanced equipment and tools available.
