

Provider of Pensacola Cleaning Services Advises Mold Inspections this Allergy Season

March 08, 2019

March 08, 2019 - PRESSADVANTAGE -

Pensacola, Fla. - The research is in. Mold and indoor contaminants can cause serious health problems. One of the top providers of Pensacola cleaning services advises the local community to schedule a mold inspection service as Spring approaches.

Allergies affect more than 50 million people in the United States annually. Additionally, of the 21.8 million people reported having asthma in the U.S., approximately 4.6 million cases are estimated to be attributed to dampness and mold exposure in the home. A mold inspection is the first step in ensuring the safety of a business or residential home from the effects of mold.

Doodlebuggers offers professional inspections, cleaning, duct leak testing/sealing, consulting and repairs for air ducts, chimney's, dryer vents and mold. The business is driven by customer service, education and quality service. Doodlebuggers Service Network has been a trusted name in the community due to their unique perspective and experience in providing quality services to the community.

Along with its impressive inventory options, Doodlebuggers is also a proud BBB member with an A+ rating.

They offer professional inspections and Pensacola chimney cleaning services to the local community. They advise that best defense possible against mold complications in a home or business is awareness. A mold inspection is the most effective way to defend one's home and business against the unhealthy conditions mold can produce.

Those interested in products or general cleaning services (including chimney, air duct, and dryer vent cleaning services) can visit www.HugYourHome.com or call (850) 477-1151 for further details.
