Austin Roofing Contractor Hires New Standing Seam Specialist

March 08, 2019

March 08, 2019 -
Big Roofs Austin, a leading provider of metal roofing services, is pleased to announce the addition of Jim Wake as a welcome addition to their team of roof installation specialists.

Hiring Jim Wake will allow Big Roofs Austin to provide their services in more locations near Austin, TX and allow the company to offer its customers a wider array of standing seam metal services. Jim?s specialty is high-end standing seam metal roofing, with advanced experience in the use of specialty metals, such as copper and tin.

?We are proud to welcome Jim Wake to the Big Roof Austin family,? said the General Manager of Big Roofs Austin. ?Jim is committed to providing superior service to our metal roofing clients in the Austin area and expanding our ability to provide specialty metal roofing services with the most up to date tools and technology.?

The company stated that they asked Wake to join the team because of his specialized experience installing standing seam metal roofs, which will allow Big Roofs Austin to offer a broader array of roofing services in Austin.

Jim stated, ?I?m happy to be a part of the Big Roofs team. Their training has been great and the methods we?ll be using are the most advanced in the market. I?m truly excited to get started, and expand their metal roofing services here in Travis County.?
