Those seeking out dental services in the Del Mar, Encinitas, San Diego, La Jolla, Carlsbad and La Costa areas need not look any further than Solana Family Dental. ?Do you need to need a basic dental exam, a deep cleaning, or teeth whitening services?? asks Solana Family Dental. ?Perhaps it?s time for your child?s first dental checkup, or you?re just ready to restore your teeth. Whatever your oral health goals, Solana Family Dental is your go-to La Costa dental provider!?

Located in La Costa, Solana Family Dental is within ten miles of the area?s tourist attractions. The clinic provides comprehensive dental services, with the client?s wellbeing as their first priority. Each of the services offered by Solana Family Dental is tailored to meet the unique needs of each client and the dental center?s staff use the most modern technology and practices to offer dental procedures that create sustainable solutions. ?We focus on practices that conform to high dental standards to ensure that you leave the office more confident, and all the more, safe from any possible complications,? states the Solana Beach Dentistry clinic.

Solana Family Dental?s doctors and dental support staff are dedicated to making each patient?s experience

at the facility a memorable one. Their procedures cater to all patients, including the most apprehensive, and are performed in a friendly, warm environment designed to ensure the comfort of the patients and anyone accompanying them. ?Every visit to our office is made as interactive as possible to ensure that we are communicating, understanding, and addressing all your needs and concerns properly,? states the clinic.

The dental office is run by Dr. Michelle Sandler. She pooled her resources to offer dental services of the highest caliber and help patients achieve the healthy smile they desire. She offers a wide range of dental services and are prepared to go the extra mile to provide the most advanced treatment options available. With many years dedicated to study and research between them, the duo have succeeded in identifying and making use of the most effective dental practices and procedures.

Dr. Sandler have a strong belief in technology and the potential it offers to her clients, and spend hours studying the latest developments in dental medicine, materials and treatment concepts. Dr. Sandler acquired her doctorate in dental medicine in 1987 from the University of Pennsylvania, a world leading university that is consistently ranked among the top three in the world. She is affiliated with several professional and academic entities at both the county and national level, including the American Dental Association, the American Academy of Cosmetic Dentistry, the San Diego County Dental Society, and the California Dental Association.

She and her retired mother who is also a dentist, Dr. Kauffman have been in partnership for the last 16 years that they?ve lived in the East Coast, and only recently moved to San Diego where they have established their new dentist Del Mar practice. Now, Dr. Sandler and Dr. Kauffman are committed to providing the residents of North County Coastal and its surrounding areas with services of the highest standard. As a result, their commitment to providing great service in a pleasant environment has been received positively by their patients.

?Solana Family Dental is always a pleasurable experience,? stated one pleased client. ?The staff is incredibly welcoming and friendly, and know most patients by name. I look forward to my bi-annual appointments and am always greeted with personable conversation. I love this place and I brag about my dentist to all of my friends!?

Another client stated, ?This place was the best experience I have ever had. Dr. Sandler, who is terrific, explained to me in a way the I understood my procedure; she showed me my teeth with such advanced equipment in a way that I saw where I don't reach with my toothbrush, and it was so pleasant and professional. I was always so scared to go to the dentist but now I?m looking forward to my treatment!?
