Las Vegas is known for its vibrant nightlife and extravagant events. However, even in Las Vegas, some events are considered more memorable than others. Prestige Models Agency is often found to be the difference between an ordinary gathering and a grand soiree that will be spoken of for years to come. The company's Facebook, with images from many of the events they attend, can be found at <https://www.facebook.com/PrestigeLasVegas/>.

Considered the number one rated atmosphere modelling agency, Prestige promises to provide the best looking models to bring excitement to any event in any industry. Many companies have found fewer associates enjoying their yearly Vegas trips. They often complain about a lack of excitement, claiming that, "we need more wow factor." Frequent visitors to Las Vegas find their trips becoming less and less memorable, with no idea of how to make their next trip more exciting than the last.

The Prestige Model Agency offers solutions for these problems. The presence of beautiful, sociable women at an event has been found to make even the most ordinary event feel unforgettable, impress all those in attendance, and increase the "fun factor" of any event.

"All of our models will raise the atmosphere in the room, turn every head, and create the experience you have been missing," says Prestige. Each of the agency's models has experience in delivering a high class, high energy, professional attitude when working with clients. "We believe in being the best for the best," Prestige Models Agency states. "If you are still holding on to any doubts, please place them in the trash where they belong and let us show you how it's done."

Prestige's models have been found to excel at every occasion, from the runway to social or business events, to simply being "eye candy." One of their models' main functions is to serve as "atmosphere" models. Each model is, "smart, sexy, and sociable," and strives to turn any Las Vegas event into a memorable one, according to the agency. Available at a moment's notice, Prestige's atmosphere models are able to make their presence known at nightclubs, dayclubs, restaurants, casinos, corporate parties, pool parties, VIP

parties, and Cabana parties. "Our models will come to your party and add that special touch of flare and excitement that Las Vegas is renowned for," says the agency.

Prestige has access to a number of diverse and unique models, providing clients with endless options to create the perfect look for their brand. Each model is selected according to their appearance, personality, individual talent, and their work ethic. Prestige Models' speciality is catering to every possible need; they are diverse and well trained, able to fill any role required. "If you want models that appeal to your target audience and that will be aspirational figures for your customer, then our girls are perfect for you," says the model agency. "We ensure you top notch quality from start to finish."

With over fifteen years in the industry, Prestige provides one-of-a-kind experiences in all areas of modeling. Each Prestige model goes through a rigorous screening process to ensure they are capable of providing the high quality service Prestige is known for. "Our models are guaranteed to go above and beyond that of normal expectations," affirms the model agency. "They are trained to be the life of the party with a fun vibe that creates a positive, relaxed atmosphere for our valued clientele." The Prestige Models Agency states that they handle every moment of a client's experience with, "white glove treatment," from the booking process to the end, and they take pride in their service while striving to achieve perfection at every occasion.

Prestige Models Agency offers their tried and trusted services for those seeking a way to take any Las Vegas event from ordinary to unforgettable. Each model provides not only beauty, but also professionalism and charisma to an occasion. Prestige Models Agency has already worked with a number of famous, high class Las Vegas venues, including the Apex Social Club, Omnia, and many others.
