March 26, 2019 - PRESSADVANTAGE -

Tampa, FL- Most homeowners are compelled to take the traditional route to sell their houses. They have to list their properties online and hire a real estate agent. They are then required to wait till a genuinely interested homebuyer comes by and even that is not definitive progress. There are many other steps before any concrete development can be expected. Local Tampa Homebuyers is simplifying the whole process of selling residential properties in Tampa. Florida based Local Tampa Homebuyers is buying houses directly from homeowners without taking the traditional approach.

Local Tampa Homebuyers makes a straightforward purchase offer and homeowners can decide if they wish to sell their properties. The purchase offer is put forth within twenty four hours. If a homeowner agrees, the company can close the sale and complete the entire process in a span of seven business days. A week up to ten days is all the time a homeowner needs to sell a house in Tampa. This is the fastest way to sell a house. The traditional approach can take weeks and in most cases months. Many homeowners have to wait longer than a year to sell their houses.

Local Tampa Homebuyers does not work via realtors or other intermediaries. It deals directly with the homeowners, thereby effectively eliminating all middlemen and influential factors. Local Tampa Homebuyers does not charge any commission and they pay for the closing cost. In the absence of listing and advertising along with commission and closing cost, there is no financial obligation of the homeowner. All these expenses are otherwise borne by owners of residential properties.

The company is buying every kind of house in Tampa, regardless of its type and size, location and condition. Houses in disrepair cannot be sold using the traditional approach. Real estate agents will always insist on repairs. Homebuyers will not express any interest in homes that are in poor condition. The repairs and potential upgrades cost money. These additional investments may not be accounted for in the ask price that is finally agreed upon by a homebuyer. The traditional hurdles complicate the entire process and homeowners in Tampa and the surrounding areas have not had an alternative till now.

Local Tampa Homebuyers has a simple modus operandi. Homeowners contact them on Phone and provide details of their property in Tampa or anywhere in State. Property owners may also visit the Website at <https://localtampahomebuyers.business.site> and write to the company. A property visit or viewing will be scheduled, which shall be followed with a purchase offer. This offer is not an appraisal or an estimate. It is a real deal for homeowners to consider. If the offer is accepted, the sale is expedited and closed in seven business days. The company prepares the agreement and attends to the legal formalities.

Local Tampa Homebuyers is buying rental properties, standalone houses, apartments, homes facing foreclosure and also hoarder houses. Every homeowner can sell their property to the company without worrying about commissions, closing costs, repairs, advertising expenses, staging or appraisal costs. The fair value of the property will be influenced by real factors but not whether or not the company will be buying the house.
