

## **Bristol Letting Agents Listed Among Best Property Management Agencies In UK**

*April 12, 2019*

April 12, 2019 - PRESSADVANTAGE -

Intire Letting Agents Bristol, a Bristol, United Kingdom based property management company has been listed as one of the best in England. The company provides landlord and tenant services in the Bristol area.

A complete listing of their services can be seen at <https://intire.co.uk/letting-agent-bristol/>. Atif Javid, Company Director, says, "Our Downend office in Bristol makes us a convenient choice for landlords and for tenants. Our entire staff has knowledge of the Greater Bristol area and can put tenants together with landlords that will fulfill all of their needs, and vice-versa."

Javid says that the company has years of experience as a letting agency and that they can help landlords to find the quality tenants that they are looking for in the Bristol area. The company provides a wide range of services including property management and letting, tenant finder services, collection services for landlords, and a full suite of management services.

"Landlords simply do not always have the time to find a suitable tenant, make all of the move in arrangements, collect rent from multiple tenants and fully manage their properties," says Javid. "We offer all

of those services and more. Our suite of services is designed to make life a bit easier for landlords and for their tenants.?

Javid says that those who are interested in learning more about the specific services that the company offers can visit them at <https://www.rightmove.co.uk/estate-agents/agent/Intire/Downend-41070.html>. He adds that there are a number of landlords who have difficulties in finding quality tenants, either because they do not have the time or they do not have the means of doing so.

The Company Director states that Intire Letting Agents Bristol has spent years perfecting their services in an attempt to provide landlords with the quality of service that they expect. He states that they work with landlords that have properties of all sizes, from single homes to apartment complexes. The full range of property management services makes it easier for landlords to handle their other duties and leave the handling of their property up to the company.

Javid adds that landlords who are unsure of where or how to find suitable tenants can visit the company online to learn more about their tenant finding services. The company uses a number of means, including professional marketing, accompanied viewing and inhouse referencing to find suitable tenants for properties. Services also include gas safety checks, EPC, deposit and inventory registration.

Landlords in general that use property management companies claim that these services give them more time to tackle other tasks. Javid says that any landlord that does not have the time to properly manage their properties can call on the company for assistance.

He adds that being listed as one of the best property management companies is an honor and a title that the company has worked to achieve for many years. Javid says that everyone on their staff has a passion for property, which is why they are currently considered one of the best in their field. He states that property investment is not something to be taken lightly and because of this, property owners need someone that they can rely on to ensure that their properties are taken care of and that tenants are the best possible picks.

Javid states that property owners can visit the company (for driving directions visit <https://goo.gl/maps/2nRJE4fAgVK2>) to learn more about their property management services and the benefits that they offer. Tenants who are searching for suitable housing can also visit the company online to learn more about the benefits to them of using the Bristol company to find and secure their next home. The company states that anyone with questions is welcome to contact them during their normal hours of operation or email them directly at any time. The company's website offers detailed information for tenants and landlords about their services, as well as an online property finder for those looking for a home.
