March 28, 2019 - PRESSADVANTAGE -

Tampa, FL- Houses in the Tampa, Florida area are now being bought by Cash for Tampa Homes. The housing market has been in a slump and as a result, many houses are sitting on the market for long periods of time without ever getting solid offers. Cash for Tampa Homes buys houses directly from homeowners. This gives them the option of selling their house without having to pay commissions and fees to a traditional real estate agent.

When a homeowner lists their house with a real estate agent, they are often required to make costly repairs in order to prepare the home for the market. Homeowners are also required to stage the home in preparation for potential buyers to look at it. There is also the need to hold open houses and even sometimes leave the home on a moments notice for people to take a look at it.

Homeowners who are considering selling their home are encouraged to contact Cash for Tampa Homes. Representatives are available 24 hours a day to talk with those interested in selling their home. They can be

reached at (813) 358-2815 or via their website at <https://cashfortampahomes.business.site>.

Many circumstances force homeowners to sell their homes. Often times, events such as marriage, divorce, relocation or expansion of family lead to the need to sell. Cash for Tampa Homes has a reputation for helping homeowners who are faced with the most difficult of situations. They make a cash offer on houses despite the need for repairs.

Some houses are in a location that deters potential buyers from ever taking a look at them, much less making an offer. Cash for Tampa Homes is not concerned with the location of the house. They are still willing to make a reasonable offer to the homeowner.

Cash for Tampa Homes has streamlined the buying process, make it stress free for the homeowner. When using a traditional real estate agent, there can be many obstacles such as appraisals and lengthy waiting periods. When selling to Cash for Tampa Homes all of that is avoided for the homeowner. When a homeowner contacts Cash for Tampa Homes an initial appoint is set for a representative to come and take a look at the property. Within 24 hours, a reasonable cash offer is presented to the homeowner. Should they owner decide to accept the offer, closing takes place typically within 7 days. The homeowner is never under any obligation to accept the offer that is presented to them. Also, when an offer is made, there are not any hidden fees or commissions to be paid. The entire offer is what will be paid to the homeowner.

The process of selling a home has been made easy by Cash for Tampa Homes. They uphold a reputation of being professional and courteous throughout the buying and selling process. This is something that tends to draw in homeowners that are looking to sell their home quickly without having to jump through a bunch of hoops.

Homeowners who are considering the possibility of selling their home are encouraged to reach out to Cash for Tampa Homes to get the process started. With one simple phone call, homeowners can be on the way to starting the next chapter in their life.
