

Telus Offers \$200 Trade In Credit On Samsung Galaxy S10e

March 29, 2019

March 29, 2019 - PRESSADVANTAGE -

Telus/Cambridge Electronics Incorporated, a store in Fort Saskatchewan, Alberta, Canada, has announced that TELUS is offering a \$200 trade-in credit towards a Samsung S10e, S10, or S10+ when customers trade in a device with a minimum value of \$1 after assessment. Those who activate or renew a Samsung Galaxy S10e, S10+ or S10 on a two-year consumer Your Choice rate plan or business Easy Share plan are eligible for a \$200 trade-in credit plus the true residual value of the device.

Dan LHeureux from Cambridge Electronics Incorporated says, "This promotion can be best explained by an illustration. For instance, if the customer's device is worth \$1, they would receive a \$201 trade-in credit. If the device is worth \$201, they would receive a \$401 trade-in credit. Note, however, that this offer can be pulled with 1 business days' notice via a bulletin update."

Dan Lheureux adds, "We're a team of about a dozen Telus Specialists, professional problem solvers, tinkerers, and all around geeks, working around the clock to make Cambridge Electronics Incorporated the best Telus Service Provider in the universe. We make it easy to select the proper wireless device and match it up with the accessories you need, share them on social networks, integrate with web services you already

use, and track your results.?

The limited time \$200 trade-in credit offer is available from March 21 to April 30, 2019. It is also stackable with other code-based offers. Meanwhile, customers who are in the middle of their contract must pay their outstanding device balance before renewing. The TELUS Trade-in must be completed at the time of renewal or activation and entered into the HYL A portal at that time.

There are various promotions available from the Telus Fort Saskatchewan store, aside from the \$200 trade-in credit. For instance, customers who add Pik TV with the Crave + Movies + HBO pack, will get On Demand access to all seven seasons of the Game of Thrones. Also, Telus Home and Mobile Plans now offers a long-distance add-on for China.

Cambridge Electronics Incorporated offers various accessories. Some of the featured accessories are the BeatsX wireless headphones; the JBL Link 10 Speaker, which provides immersive stereo sound with the power of Google Assistant; and Apple AirPods.
