July 18, 2015 -

Amherst, New York's JackpotCandles.com is pleased to launch its Sweet Pea candle, a new scent among the company's luxurious line of jewelry candles. JackpotCandles.com is a company that creates lovely, scented candles for the home.

"Jewelry" candles are not your regular kind of candles. Each candle is made from 100% premium natural soy, and infused with essential oils. The candle typically burns for 80 to 100 hours. During the buring process, your candle will reveal a foil-wrapped jewelry item, jewelry style is preselected by the customer, valued from $15 to $5,000. Customers can select from rings, earrings, or necklaces which can be appraised on the company's website.

JackpotCandles.com currently offers a long list of candle scents that range from Cinnamon Bun, Ocean Breeze, Salted Caramel, to Pina Colada. The addition of the candle's jewelry "surprise" adds to the product's uniqueness. "Our candles are getting a lot of attention lately," Patricia, a JackpotCandles.com representative stated. "Not a lot of candlemakers have done this concept, and we're proud to offer it to consumers."

Be it a gift to a loved one or a decoration to warm up your senses, jewelry candles make a great addition to any home. The recent addition of a Sweet Pea jewelry candle is a treat for people who appreciate the comfort of a candle's light as well as the sweet scent of springtime. Its gentle fragrance of sweet pea flowers will transform a room into a beautiful garden. The aromatherapy is only the beginning?there is always a surprise piece of jewelry waiting for you.

The sweet pea scent is an exciting addition, however, JackpotCandles.com is still looking for more exciting scents to shake up its interesting line of candles. "Our loyal customers are always on the lookout for new scents! We're still in the process of getting our candles out there, but we're growing. If you want to learn more, you can always follow Jackpot Candles on Facebook, or join our growing Instagram community!" invited Patricia.

JackpotCandles.com believes in the continuous process of creating worthwhile products that provide comfort and memories. Its candles are slowly gaining popularity because they combine both.
