

Spark Cleaning Solutions Offers Commercial Cleaning Services In Wisconsin

April 08, 2019

April 08, 2019 - PRESSADVANTAGE -

Spark Cleaning Solutions, based in Green Bay, Wisconsin, has announced that they are offering cleaning services to commercial establishments in Green Bay and neighboring areas. They provide their services to various commercial buildings such as general office buildings, retail stores, factories, bars, and restaurants. The are available 24/7, 365 days a year and ensures that they can accommodate the client's schedule.

Noemi Montiel, spokesperson for Spark Cleaning Solutions, says, "We are happy to announce that we are providing cleaning services for commercial establishments in Green Bay and nearby areas. Many office cleaning companies say they provide good customer service, but Spark Cleaning Solutions does more than just talk about it. We incorporate great service into everything we do from our convenient hours to our employee screening policies. As part of our quality control program, we provide you with reliable and honest office cleaners, trained in best practices and company standards. As a result, you not only get top quality when it comes to Green Bay business cleaning services, but also friendly commercial cleaning professionals."

According to Noemi Montiel, they focus on a number of factors to ensure that high quality cleaning services

are provided. These include: provision of cleaning services 24/7, 365 days a year; provision of a 100 percent satisfaction guarantee on all their services; the hiring of local janitors or cleaners based on strict policies; provision of training to the cleaners based on industry specific commercial cleaning policies; making sure they are licensed, bonded and insured; and provision of honest, friendly and reliable people clients can rely on. Furthermore, their medical office cleaning services are approved by the Occupational Safety and Health Administration (OSHA).

Essentially, they offer their services to any type of business, but not residential homes. Some of the facilities or offices that they can provide their services to are: medical offices, dentist offices, professional offices, banks, schools, municipal offices, manufacturing buildings, stores, bars, and restaurants.

For their medical office cleaning services, the cleaning personnel from Spark Cleaning Solutions: strictly comply with a Written Work Plan; wear gloves and abide by all safety rules; do not permit the trash bags to come in contact with their bodies and do not pack the trash into the bags with their hands; read the Material Safety Data Sheets that describe the chemicals that are used in the facility; follow the Occupational Exposure to Bloodborne Pathogens Standards; have hepatitis B vaccinations before being sent to clean the facility; comply with the rules provided by OSHA; and use private label products that all comply with labeling requirements.

Noemi Montiel says, "We understand the requirements of healthcare cleaning and medical facilities cleaning and work hard to meet those needs. The staff at Spark Cleaning Solutions is specially trained and equipped to handle the special needs of the medical profession. Spark Cleaning Solutions delivers the service you expect, with the integrity you deserve. Many healthcare and medical facilities choose Spark Cleaning Solutions as their commercial cleaning provider because our employees are trained to give your facility the most thorough cleaning it has ever had, every time we clean."

Some of the common services they provide are: carpet cleaning, ceramic floor cleaning, hard floor finishing, floor buffing, grout cleaning and sealing, pressure washing, floor scrubbing, spot cleaning, window washing, upholstery cleaning, and heavy duty stain removal. They also provide cleaning services for events and post construction buildings.

Some of the cities that are served by Spark Cleaning Solutions are: Green Bay, Oshkosh, Appleton, Sheboygan, Manitowoc, Kaukauna, Little Chute, Ashwaubenon, De Pere, Suamico, Allouez, and Kimberly.

Spark Cleaning Solutions has been providing cleaning services for commercial establishments in Green Bay and Fox Valley since 2003 and is a bonded, licensed, and insured Green Bay cleaning company. They have made sure to employ the best janitors in the area and their customer service policies have been carefully studied to make sure that clients get the best quality commercial janitorial services.

Those who require more information about the commercial cleaning services offered by Spark Cleaning Solutions can visit their website or contact them by telephone or by email.
