

Direct2U Offers Unique Inflatable Rentals With A Twist

April 17, 2019

April 17, 2019 - PRESSADVANTAGE -

Minnesota based Direct2U Inflatable Rentals is pleased to announce that they now offer unique, customizable, and upgradable inflatable structure rentals to residents of Apple Valley and the surrounding areas.

As noted on the company's website at <https://direct2uinflablerentals.com/>, Direct2U Inflatable Rentals provides local party rentals in the Twin Cities Metro and Greater Minnesota areas. They primarily offer inflatable bounce houses, obstacle courses, interactive inflatables, Archery Tag, Knockerball, and Escape Rooms, among others. Their diverse range of offerings, and customization of their inflatables, make their service unique and truly enjoyable.

"We take parties to a new level and offer more flexible rental time caps as we understand that a one-size-fits-all offer doesn't work for everyone. If you're looking for a memorable and fun source of entertainment, we are the first place you should look as we stock up our inventory with the hottest inflatables in the market. Visit our website and discover how you can instantly upgrade your parties and make your events better," the spokesperson said.

Direct2U's line of inflatable rentals include the typical bounce houses and obstacle courses, but they also

offer add-ons and unique twists to those who want to customize or personalize their events. The company explains that some of their inflatable bounce houses can be as large as 33' x 15' x 15', and clients may opt for customizable theme panels, including princess, dinosaur, and space themes, to name a few.

Direct2U's bouncy castles also feature additional extras, such as a wet/dry slide, jousting equipment, and an interactive electronic game. Furthermore, the company asserts that many of their inflatables feature rare and unknown designs, so they encourage customers to discover more of Direct2U's product inventory at <https://direct2uinflatablerentals.com/bounce-house-rentals/>.

In addition, the company is able to provide inflatable bubble balls and other specialty inflatables, including the Elektric Slide, Human Whack-A-Mole, and Hungry Hungry Humans, among others. They also state that they are one of the very few providers in Minnesota who offer clients Knockerballs due to its special insurance requirements. ?If you want a surefire way to add excitement to your party, Bubble suits are also a no brainer. Just pop on one of them and knock into one another for a hilarious day of non-stop laughter and lasting memories,? says the company.

Notably, their XL inflatables can accommodate loads up to 1000 lbs (which is around 8-9 kids or 5-6 adults), and they can install the inflatables on flat surfaces like grass, gym floors, and carpet for free. However, they charge an additional fee if the inflatables are to be used on concrete or asphalt due to wear and tear and sandbag labor as well.

Customers may find it convenient that Direct2U offers flexible and special bundle discounts for all types of events. Currently, they offer three hours, six hours, full day, and multi-day rental options to residents of Minnesota and Western Wisconsin. They provide free delivery within the Metro area, and charge a minimum fee to those living outside of the 7-county Twin Cities.

Those looking to upgrade their house parties and corporate events may reach out to Direct2U Inflatable Rentals by calling their service hotline. They are considered one of the top service providers in the area, based on a number of positive reviews from their previous customers.

Shana Morrisette, in a Google review, said, ?Caleb from Direct2U helped organize a wonderful event for the local high school Senior All Night Party. He returned my calls and emails right away during our planning process. Their team arrived on time, the set-up process was smooth, and the bubble soccer and human foosball were the highlights of the night. The kids had so much fun and the company also made sure the students were safe. We will definitely book them again for our future events.?

Another satisfied customer, Amy Rich, said, ?When Direct2U brought a Knockerball to my son's After Prom party, it was a huge hit. The kids loved it, and the organizers of the event were truly amazed at the service

that the company provided. They did everything, including running the games. We loved everything about having Direct2U at the party. We highly recommend them.?

Direct2u Inflatable Rentals

Direct2u Inflatable Rentals Started in February of 2016 out of a need to shake up inflatable rentals in the Twin Cities. In particular Minnesota needed party rentals suitable for adults as well as kids, hence our additions of Knockerball and Archery Tag.
