

Quick And Easy Car Keys Replacement Service In Minneapolis

April 11, 2019

MINNEAPOLIS, MN - April 11, 2019 - PRESSADVANTAGE -

Every car owner knows that losing or breaking their car keys can be a nuisance in the best of times, but at worst can result in them being stranded in the middle of nowhere. However, while many are unaware of the relative ease and speed with which car key replacements can be made, The Key Guys are able to capitalize on this fact to provide their services to drivers in the Twin Cities of Minneapolis St. Paul area.

Be it at home, at work, or the middle of nowhere, The Key Guys are prepared to send one of their experienced, qualified locksmiths to solve the car key problems of Minneapolis? residents.

The Key Guys pride themselves on being certified automotive locksmiths, especially as this sets them apart from other businesses. The company can replace car keys that are lost, fix broken keys, cut spare keys, and program key fobs and smart keys. They work with large companies such as auto dealerships, car rental agencies, and service stations, while also providing their services to individuals in need of key replacement.

Normally, replacing and programming a key at a dealership can cost up to \$200, depending on the key, make, and model. The Key Guys charge far less than dealers for key replacement and programming, and are willing to travel to customers anywhere in the St. Paul and Minneapolis Metro. The company is committed to providing the best service at the lowest costs, and Minneapolis residents would do well to consider them in case of a key crisis.

The company has been in operation since 1988 and have, over the years, dealt with all kinds of vehicles. Their decades of experience have been a major factor in establishing them as the top rated and best reviewed automotive locksmith in the area. Instead of paying the incredibly high price of towing a vehicle, residents of Minneapolis can contact The Key Guys for quick, convenient key replacement at a low price. Bryan Nystrom from The Key Guys says that they, ?have already helped thousands of people who have lost their car keys due to various reasons. We have had people who lost their keys while partying, some while fishing, and many who just simply misplaced or dropped their car keys elsewhere.?

Cutting or programming a brand new car key usually takes just under one hour. The Key Guys are always fully equipped to create and program brand new keys for customers all across Minneapolis, with little to no waiting period. The company makes use of a fleet of mobile vans that are always stocked and ready to replace their clients' keys in record time. Notably, dealerships often take much longer, sometimes even taking days to deliver a replacement key.

The company has received a number of positive reviews from satisfied customers. One Facebook review states, "Highly recommend! I called this company this morning," continuing that, "The guy who helped me was professional, friendly, confident, and peppy. My key and remote fob hybrid for my modern car fell off the carabiner; had me devastated. This guy was able to fully replace it, change the frequency on my car so the old key wouldn't work, and even gave me a spare standalone key in case something like this happened again! All of this was reasonably priced."

Another reviewer says, "Brian is highly qualified and does a great job making car keys; he truly is the best automotive locksmith in Minneapolis, Minnesota. Their prices are fairly reasonable on key fobs and keys and they provide a very fast service. So, if you're looking for a good automotive locksmith, give Brian a call."

Those looking for a reliable automotive locksmith to their cut car keys quickly and at low rates may contact Bryan Nystrom from The Key Guys today. They have a fleet of fully equipped vehicles ready to drive out to any location across Minneapolis and replace their customers' car keys within an hour. Residents of Minneapolis can say goodbye to the days of waiting for expensive key replacements at dealerships.
