

Commercial Management Company Offering Businesses Option Of Leasing Industrial Space In Minnesota

July 30, 2015

July 30, 2015 - PRESSADVANTAGE -

Family owned commercial management company in Bloomington, JGM Properties, is offering businesses industrial space for rent in MN. The company stated that besides providing excellent quality industrial buildings, potential tenants will also be excited with the flexible leasing terms. Eli Russell, spokesperson for JGM Properties, said that they have a wide range of buildings available, some having clear heights between 12 and 24 feet. In addition, the company said that they pride themselves on providing their tenants with high-quality service.

Eli Russell made the following statement: "Customer service is our main priority. We strive to provide excellent service by giving our tenants the right type of property for their professional needs and meeting all of our obligations that were agreed upon in the lease, consistently and in a timely manner. We believe that communication is key, and this is the reason why many of our tenants are still with us today."

When tenants look for industrial space for lease in MN, they have to be very careful in their planning and when they begin searching. For example, a consideration that all tenants should take seriously is knowing the difference between usable square footage and total square footage, zoning, operations costs, adequate electrical capacity and many other factors. JGM Properties takes these issues very seriously as well, so tenants can feel confident knowing that many of their considerations will be handled professionally and fairly.

"We understand how important location is as well, and because of this, we have made sure that our industrial buildings can easily be accessed from major freeways and highways," said Eli Russell. The company added that they provide short and long-term leasing as they know that every tenant has their own individual business needs.
