April 17, 2019 - PRESSADVANTAGE -

Zillow has ranked Michigan-based Realtor® Russell Ravary as one of the best real estate agents not only in Michigan but in the whole of America. This recognition is yet another proof of how good he is at what he does.

Russell Ravary currently has a 4.9/5 rating on the online real estate database company. Aside from helping people buy lake homes for sale in Michigan or sell their homes in the area, he also specializes in relocations and foreclosures.

His Zillow recognition is just one of the many recognitions he has earned since he started his real estate career. Currently, he is also among the Top 1% real estate agents on Trulia, a home and neighborhood site for buyers and renters who are looking for homes across America. He is also among the Top 2% of all real estate agents in Michigan, with over \$14.5 million worth of homes sold in 2017. Previously, the Hour Magazine recognized him as one of the Top 5% Realtors® in Metro Detroit.

As someone who lives on a lake, Russell Ravary knows his area really well. He grew up in the landscaping business and spent years of his life in the construction trades and mortgage business. His experience in flipping houses and renting out properties has also given him all the knowledge he needs to help homebuyers and sellers throughout the real estate process.

From estimating costs to keeping his clients from making costly buying mistakes, Russell Ravary has already mastered the ropes of the business. Hence, homebuyers and sellers can trust that he can meet their needs. ?I can talk about the costs you might incur or be able to keep you from making a costly buying mistake. I sell over 60 homes a year and help quite a few buyers find homes, so I understand what it takes to make your home stand out so buyers will want them,? he said.

What sets Russell Ravary apart from other real estate agents is his commitment to his clients. While many agents can boast of their knowledge of their areas and their long years of experience in the real estate business, Russell Ravary can boast of how far he goes for his clients.

As an agent, Russell Ravary makes sure that he gives his clients the information they need to make sound decisions. He also makes sure that the homes that they are selling make it on top spots on Google?s page 1 search. ?I owe it to my good clients, hard work, and keeping my client?s interest first. Anybody can sell homes but working hard to get the client?s goals and needs is sometimes much harder. My team and I want to be able to walk into any store 10 years from the time we meet you and have you greet us like we were best friends. We will work hard to earn your trust and respect,? he said.

Russell Ravary?s client reviews tell a lot about how he is as an agent. One of his previous clients wrote, ?The service provided to us by our Realtor Russ Ravary was simply outstanding. Not only did Russ help us find our dream home for a great price, but he also sold our house for top dollar in less than three days!? Another client wrote, ?Russ knows the real estate business well. There was no stress on me and everything went smoothly. He returns calls promptly and is very easy to work with? Russ really listens to you, offers suggestions based on his experience, and seems to really care about doing a great job for you.?
