

Rockwell Trading Offers Free One Day Trading Bootcamp In Houston April 27

April 18, 2019

April 18, 2019 - PRESSADVANTAGE -

Rockwell Trading provides free one-day Trading Bootcamps around the globe for new traders wanting to learn to trade with confidence. The company is offering a free one-day Bootcamp on April 27 in Houston, TX.

New traders often have apprehensions about attending free workshops or seminars in fear of wasting time, effort and money, however, said Bootcamps have resulted in numerous raving reviews.

The difference with Rockwell Trading is that the company strives to ensure attendees have an experience worthwhile by being informative and straight to the point. The company was founded in 2005 with one goal in mind, and that is, to simplify the complex world of trading and to help aspiring traders achieve trading goals.

One of the Trading Bootcamp's past attendees, Gayle Conner, was ecstatic and said: "Just had to tell you how stoked, happy, & excited I am to get involved & start trading with the Rockwell Family! I attended Bootcamp last Saturday, 4/6, & immediately invested in the Power X program... No Hesitation.

"Being new to entrepreneurship, I have recently researched a variety of opportunities. I now have identified 3

areas of interest I am pursuing, Rockwell being 1 of the 3. I knew from researching the Rockwell business, that going into Bootcamp, my life and future was going to change. Sometimes you just get that right feeling. So I made some decisions of commitment to invest in the program, as well as free up some retirement funds for trading. The time to start is now!

"I was so impressed with our instructor, Brian N, and I humbly thank him for his teaching style. He was able to help us all, from novices to some rather experienced traders, interact & enjoy learning together. With all that being said, I now look forward to the 3-day training session coming in May. Now that I completed taxes & submit tomorrow, I start studying emails & viewing videos tomorrow afternoon, & Friday I place my very first trade."

Raving reviews like this inspire Rockwell Trading's founder and CEO, Markus Heitkoetter and his team to do the ultimate best and reach as many traders around the globe as possible.
