

Infotainment Radio Launching Dayton Radio WDYT with Deals.Radio

April 19, 2019

April 19, 2019 -

Dayton, OH ? Troy Warren CEO and Chief Executive Producer of the Infotainment Radio network released statements today about launching its Dayton radio station WDYT.

Warren said, ?I'm really excited about our format because it is very different from most TALK formats. We like to call it Life Radio at times because we cover subjects like Pet, Health, Home, Travel, Beauty and Finance. There will be quite a few more topics coming and the next one is our Dating Show. Our Travel show just recently launched our 24 hour per day booking engine at Travel.Radio.?

The mission of WDYT Dayton radio is seeking out the BEST and most reputable merchants in the local Dayton and surrounding area for the Infotainment Radio DEALS.Radio Marketplace. The Dayton Marketplace will have several dozen offers during April and May.

The DEALS.Radio website offers a unique twist on the DEALS market in that you acquire and claim the

DEALS with DEAL Coins. Local merchants in the Dayton area will be giving away the DEAL Coins. When a new Member joins FREE at the Marketplace, they are given 25 DEAL Coins to get started receiving great discounts at local merchants right away.

Warren loves to help consumers and businesses alike and said, "Using DEAL Coins, doesn't cost, it pays. The consumers get great deals and the business establishments gain new customers."

Many local Dayton merchants will be interviewed on Dayton Radio WDYT to give consumers a detailed summary of their offerings. This helps consumers find out about Dayton merchant reputations too.

Dayton Radio WDYT is rolling out its FREE show recording service for consumers listening in. If they have favorite content they don't want to miss, they can have it all archived for listening later.

Infotainment Radio has recently launched its digital audio delivery platform through an iHeart Radio subsidiary. Additionally, Infotainment Radio is launching what will be one of the biggest press release distribution channels at PR.News.

Inquiries should be directed to Press@InfotainmentRadio.com.
