Flat Fee Movers Voted Top Moving Company In St. Petersburg

April 23, 2019

April 23, 2019 -

Flat Fee Movers St. Petersburg, based in St. Petersburg, FL, is proud to announce that they were recently voted top moving company in St. Petersburg in a community poll. The poll allocated top marks to them for their affordability and quality of service. The company has gracefully accepted the recognition for being number one among the St. Petersburg movers.

Michael Merlino of Flat Fee Movers St. Petersburg says: "We really feel like we are part of the St. Petersburg community and to be voted best in class by that very community is absolutely fantastic. We can't thank the people who voted for us enough and want to remind them that the only reason we are so good is thanks to their continued trust in us."

The company is greatly respected for the fact that their mission and vision rely on four important points. The first point is that they consider no job to be too big or too small. Secondly, all their staff have to be uniformed, qualified and reliable. Thirdly, all their equipment is first class and fully licensed and protected. Finally, they offer cost effective, detailed and personalized costs to every customer. All of these things were noted in the community poll and it is for those reasons that they were voted best out of all the moving companies St.

Petersburg has to offer.

The Flat Fee Movers St. Petersburg services have been very positively received by their many clients, which also contributed to their receiving the top prize. "The best movers in Town," says Ted M. "I was totally satisfied with the care and time they put into my move. Keep it up guys."

When it comes to moving services St. Petersburg residents can now know that they can turn to Flat Fee Movers St. Petersburg for the best possible rates and professional quality. Moving is known to be a very stressful activity and the company's goal is to take at least a proportion of that stress out of people's hands by managing the physical aspects of their move. Now that they have been voted as number one, they are noticing a significant increase in the number of requests, but they have sufficient staff on board to handle them all.
