Miami Movers Co's Fleet Grows With New Truck

April 24, 2019

April 24, 2019 -
Miami Movers Co has announced that they have just added a new truck this week in order to better serve the office moving and commercial premises relocation needs across the Miami region. This has increased the company?s ability to better serve the area and locally based companies looking to relocate.

Mike from Miami Movers Co says, "We are proud to launch our new 5-ton truck which is capable of moving larger companies than we have in the past. We can now move small to medium sized businesses from old premises to new ones. Prices start at $95 per hr for a 2 ton truck with 2 men and go up to $165 per hour for 2 men and a 5-ton truck. Locations we serve includes the whole Miami region from Pukekohe in the south and north to Orewa."

Mike points out that they still specialize in moving large items like spa pool transport across Miami but have grown the company to handle larger moving operations. He also added, ?The new truck and team have allowed us to grow into markets that are usually only available to the big moving companies.?

While Miami Movers Co?s new truck has been launched, the new staff are currently being trained in moving both commercial and private items and combine that with the best equipment for moving and transporting Miami Movers Co and larger items with safely and precision, allowing customers to focus on keeping their

businesses running while they move to a new destination.
