April 24, 2019

April 24, 2019 - PRESSADVANTAGE -

Buy The Hour Movers has announced that they have just added a new truck this week in order to better serve the office moving and commercial premises relocation needs across the Brooklyn NY region. This has increased the company's ability to better serve the area and locally based companies looking to relocate.

Mike from Buy The Hour Movers says, "We are proud to launch our new 5-ton truck which is capable of moving larger companies than we have in the past. We can now move small to medium sized businesses from old premises to new ones. Prices start at \$95 per hr for a 2 ton truck with 2 men and go up to \$165 per hour for 2 men and a 5-ton truck. Locations we serve includes the whole Brooklyn NY region."

Mike points out that they still specialize in moving large items like spa pool transport across Brooklyn NY but have grown the company to handle larger moving operations. He also added, "The new truck and team have allowed us to grow into markets that are usually only available to the big moving companies."

While Buy The Hour Movers new truck has been launched, the new staff are currently being trained in moving both commercial and private items and combine that with the best equipment for moving and transporting Buy The Hour Movers and larger items with safety and precision, allowing customers to focus on keeping their businesses running while they move to a new destination.

Furthermore, the team members from Buy The Hour Movers understands that businesses would prefer to relocate outside of normal business hours to keep the business operational so they are ready to provide their service at any time of the day to accommodate this as much as possible. This allows the entire process to be custom made to suit their client's needs.
