April 24, 2019 - PRESSADVANTAGE -

Houston, TX - 23th April 2019 ? Premium CPR, one of the leading providers of CPR training in the Houston Metro area, is pleased to announce that they offer a wide variety of Health and Safety Training including CPR, AED, BLS and First Aid. They provide CPR Training Classes with national certifications from the American Heart Association, American Red Cross, or American Safety and Health Alliance.

Premium CPR brings over 30 years of real world, hands-on experience in the Aquatics and Health & Safety Industry to their Houston CPR Classes. The company specializes in offering a unique and practical training experience for individuals, families, groups, and corporate environments. Premium CPR offers inhouse or onsite training, i.e. students come to them or they come to the student's location, making the CPR Certification process very convenient to a busy schedule.

Premium CPR uses only the latest in technology in terms of manikins to make the training classes very hands on, and providing necessary feedback to verify that high quality CPR is being practiced. This ensures that the student receives the highest level of instruction and they walk away from the class with not only the classroom knowledge but also the confidence to perform the physical skills necessary to potentially save a

life with CPR.

CPR classes offered by Premium CPR are intentionally set at a price point that is very affordable and competitively priced which removes some potential barriers of someone not receiving CPR Certification. One of the core principles of Premium CPR is to make a difference in the community, by helping as many people as possible by giving them proper life saving skills.

All candidates who have successfully completed the Houston CPR training will receive their certifications on the same day. Digital certification will be emailed to the student on the same day by the national certifying agency.

Premium CPR is proud to offer Bilingual CPR classes, training is available in both English and Spanish. Cynthia Stubbins, the founder and owner of Premium CPR is originally from Argentina and offers Spanish CPR Training Classes and Certification.
