Austin, TX ? Texas Outdoor Lighting, the go-to resource for outdoor lighting solutions in Central Texas, won four prestigious awards from the Association of Outdoor Lighting Professionals (AOLP) for an array of outdoor lighting designs completed in 2018. From lighting a man cave to a large residence, Texas Outdoor Lighting continues to be a the standard of professional outdoor lighting in Central Texas and beyond.

?Outdoor lighting transforms any space from dark and unknown to warm and inviting,? says founder and lead designer of Texas Outdoor Lighting, Joel Mayor. ?We strive to provide the highest quality, custom-lighting services and products for installations, homes and businesses across Texas. These awards are a reflection of our dedication and mission, and our entire Texas Outdoor Lighting team is honored for the recognition from the AOLP.?

Texas Outdoor Lighting was awarded for the following outdoor lighting projects: Award of Merit for

Feature-Focused Lighting Project for the art-installation, StickWorks, in Pease Park in Austin, Award of Merit for Commercial Lighting Project in Horseshoe Bay Resort, Award of Merit for Residential Large Lighting Project at Barker Estate in Austin, and Award of Merit for Outdoor Living Lighting Project for a man cave in Austin.

The annual Association of Outdoor Lighting Professionals Expo and Convention, opens voting to association members and industry professionals and that vote accounts for 50 percent. AOLP also establishes a panel of five industry experts who deliberate and count for the other 50 percent of the vote.

"Through truly listening to our customers' needs, we are able to work hand-in-hand with them to achieve the overall aesthetic they are looking for. We strive for a 100 percent customer satisfaction and to make their properties beautiful, safe and highlight the hard work that went into making their home or business," said Beth Mayor, co-founder of Texas Outdoor Lighting.

About Texas Outdoor Lighting:

Texas Outdoor Lighting was founded in 2007 by Joel & Beth Mayor. Using an old blue Saturn sedan as their company vehicle, the company had very humble beginnings working anywhere they could around Central Texas. Fast forward 10 years and they now have eight employees and a fleet of commercial vehicles and trailers to install and service projects all over the Lone Star State. They have done their best to maintain their integrity, honesty, top-notch customer service and best looking lighting designs over the years, no matter if it's a \$3000 install or a \$300,000 estate project.
