Burlingame, Calif.-- Alpine Awards has spent the entire month preparing for summer camps and awarding medals in Burlingame. The Burlingame awards shop has already helped many happy customers prepare for the summer.

?With summer just around the corner, April is the perfect time to start gathering your artwork or camp logo as well as t-shirt colors and quantities to get your camp shirts in time and stress-free,? says Vicki Lake, their sales manager.

Alpine Awards specializes in customer service with their custom awards in Burlingame. One of the unique services they provide is allowing the clients to create their own design on products such as shirts, hats, totes, and more. Alpine Awards uses high-quality materials and provides high-quality craftsmanship for each client.

Alpine Awards has made their customized t-shirt design service as simple as they could for clients working online. Clients just select the apparel they want to customize, create the design, and request a quote for the product. If the online ordering system does not work for any clients, Alpine Awards offers in-store assistance

and can answer any questions clients have for them.

?I would suggest anyone try them from wanting custom printed t-shirts done whether it?s for a team or a trip with the family [sic]. My team never looked better with their custom tees! Thank you so much Alpine Awards! writes Oceana Walters, a Google reviewer.
