

The Reviews Are In: Premium CPR - Best CPR Classes in Houston

May 02, 2019

May 02, 2019 - PRESSADVANTAGE -

Houston, TX ? 1st May 2019 ? Premium CPR, a leading provider of CPR classes and training in the Houston Texas area, has been receiving many outstanding 5 Star Reviews and is known as conducting the Best CPR Classes in Houston. Premium CPR offers Adult and Pediatric CPR, AED, BLS, First Aid, and many other Health and Safety Training classes. All their Houston CPR Classes are endorsed and certified by the American Heart Association, American Red Cross, or American Safety and Health Alliance.

The reviews are quite clear, the 30 years of real-world experience is reflected in the high quality of instruction in their CPR Classes Houston. Premium CPR offers a thorough and hands-on practical learning experience for individuals, families, groups, and businesses. You can come to Premium CPR or they will come to you, their in-house or onsite training makes the prospect of taking a CPR class very convenient to your busy schedule.

Premium CPR provides all of the equipment necessary to conduct the training class and uses manikins with the latest in technology to make the training very efficient and high quality. All students receive the highest level of instruction, in a very fun environment, and walk away from the class knowing that they have the skills

necessary to perform CPR and potentially save a life if the need arises.

The CPR classes offered by Premium CPR are not only high quality and fun, but they are very affordable as well. Premium CPR's goal is to make a difference in the Houston community, by teaching as many people as possible the potentially lifesaving skill of CPR.

Premium CPR is proud to offer Spanish CPR classes in Houston. Cynthia Stubbins, the founder, and owner of Premium CPR is originally from Buenos Aires, Argentina and offers all her classes in both Spanish and English.
