Most homeowners find cleaning up a dirty, cracked or stained concrete floor a boring, but necessary chore. The good news is that there are companies out there that provide these services so that it?s easier to focus on other responsibilities or better yet, fun.

And when the service provider is as competent as One Day Custom Floors, homeowners or commercial accounts often find that hiring a professional was the right decision all along.

Working with One Day Custom Floors of Grand Blanc allows clients to say goodbye to all this hassle and just get right to the part where their floor looks spotless again. They can also say goodbye to mold, dirt, and other unsightly things stuff that makes their garage, patio or commercial flooring look old and outdated.

One Day Custom Floors of Fenton helps homeowners by delivering high quality commercially durable permanent flooring solution. From a showroom finish that one can show off a classic auto to durable patio

flooring, their epoxy coating style of sealing will deliver years of worry free maintenance.

Businesses, schools, libraries, commercial kitchens and more all love having this high traffic resistant style flooring laid down. It can go over existing concrete as well.

One Day Custom Floors of Brighton also a new service location for One Day Custom Floors, is excited to help Brighton residents with long lasting and worry-free flooring.
