May 10, 2019 -
The Riccarton, Christchurch based financial aid provider Need Money Now has begun offering easy online cash advances to their customers, where credit score is not considered. Find out more here: NeedMoneyNow.

Need Money Now is one of the few companies in the industry that offers same-day financial assistance to customers regardless of their credit score, providing what they call, "Short-term financial aid created for those little surprises in life you don?t see coming." The company reflects that its services are, "Not intended to provide solutions to debt management in the long term," as Need Money Now is not a short-term fix for an enduring problem. The company encourages its customers who are already carrying debt to seek alternatives.

Need Money Now has built its reputation on the solid foundation of being a committed responsible lender. The company is known in the industry for their short-term, and easy-to-apply-for cash and payday financial aid, and the company?s aid solutions are designed to be transparent and ethically-based. They are fully committed to helping their clients, which is why a host of information regarding their services and offers is

included on their website, including interest rates, eligibility criteria when applying for aid, and more.

Some of the most relevant criteria used by the lending company to determine their customer's eligibility for a financial aid, as stated on Need Money Now's website, include: Applicants must be over the age of 18; must live in New Zealand; must be earning a minimum of $400 per week, net; Must be permanently employed; and must have an active bank account. These requirements ensure the company's safety, allowing Need Money Now to offer financial aid services to anyone who meets their criteria, whether or not they have a decent credit score.

The company's services are all geared towards fulfilling some of the different needs that their clients might have, ensuring that the company provides the service that fits best their customer's needs. During the application process, the company is able to identify what each customer needs and suggest a solution tailored to their individual circumstances.

As the company states, Need Money Now's ?Quick? services are focused on helping those in need of quick aid due to being, "Hit with a sudden, unforeseen bill which needs to be paid immediately." The company offers a service that can lend their customers money the same day, in as little as 60 minutes after the relevant application has been approved. The company asserts that they offer, "Fast and easy payday assistance, with no paperwork."

The ?Easy? service offered by the company is designed to help those with a bad credit score, especially if they are in need of money on short notice. While other lending institutions often have complicated application processes which make getting financial assistance difficult and stressful, Need Money Now offers an alternative to the regular process. The company is able to lend cash, without any credit check, that goes straight into their client's bank account in as few as 60 minutes after the application has been approved.

Finally, the company?s ?Same Day? service focuses on helping those who may have an unexpected bill which needs to be paid the same day, but does not have the time to go through the hassle of doing complicated paperwork. Need Money Now's Same Day aid is also offered to customers regardless of their credit rating. The limit of the assistance the company can offer go up to $1,000 on any given day, allowing their customers to ease their worries and take care of their unexpected expenses.

Through its website, the company describes its services as, "A solution to your problems. Whether you?ve been hit with an unexpected bill for your car, medical expenses, or any other unforeseen cost?with our online cash assistance, we?re here to help you solve your problem ASAP. Our services are available 24/7 to ensure that our customer's emergency is always attended, no matter the time of the day."
