May 13, 2019 - PRESSADVANTAGE -

Dallas, TX ? EW Lawyers, a trusted resource for clients seeking compensation for personal injury cases helps victims of car and truck accidents get the money they deserve after suffering from an injury. The firm has won hundreds of millions of dollars for its clients for lost wages, medical bills, physical pain, and emotional suffering due to another driver?s negligence on the road. The team of attorneys and legal staff work towards a quick resolution in each case to ensure the client can obtain the financial compensation they deserve and move on with their life from the event.

The attorneys work to actively pursue the best verdict or settlement with litigation, and negotiation, at all levels that the law and the facts of the case, will allow. The firm has attorney teams that examine all aspects of each case with the help of their litigation teams. The firm?s areas of expertise include personal injury, truck accidents, drunk driver accidents, SUV rollover accidents, and tractor-trailer accidents.

During the process of settling the case the law firm will assist each victim in seeking proper medical care. They also deal with cases where victims have been cheated by insurance adjusters and those who have experienced the loss of a loved one through an auto accident by providing the necessary resources and services.
